

Dear Sir/Madame,

The Green Lane NGO intends to sign a supply contract in the frames of the «Improving the Livelihoods of Small Farmers Through Capacity Building and the Establishment of Sustainable Economic Structures in Haykavan» project in Armenia for the implementing works listed below:

Lot 1:	Quantity	To be delivered to	Contacts
Anti-hail net (raspberry and thornless blackberry orchard) Total 19 orchards	13,760 sqm	Shirak marz, Haykavan community	Davit Abovyan 093855866
Lot2:			
Installation of anti-hail net (raspberry and thornless blackberry orchard) Total 19 orchards	13,760 sqm	Shirak marz, Haykavan community	

In case of questions regarding the orchards you can contact the person in the above mentioned table.

In case of the availability of the mentioned quantity of the anti-hail net and your agreement on the delivery to the appropriate location (Haykavan community, Shirak marz) please, where possible mention the warranty, additional technical specifications and send the certificates, also. The installation in the mentioned regions should be done not later than 30 July 2018.

Should your company be interested in the supply of the above mentioned item, we would invite you to provide us with your non-binding price offer (in Armenian or English language at latest until 10 June 2018).

The price should be provided in AMD.

Please indicate the price including the delivery price of all necessary parts for installation to the village/town mentioned in the table and the installation price separately (if you provide such service).

If you are not interested or this time not in a position to offer the materials in the time frame needed - we would kindly ask you to inform us accordingly to enable us moving ahead in the process.

We look forward to your reply.

In case of questions please don't hesitate to contact us
